Cross Hands Area - 2010 Lunar Quasar 546 £10,495 o.n.o, 6 Berth Triple Bunk with front lounge, idea for a family. One owner from new, we've had some amazing holidays in this caravan. This is a single axle caravan, but very large and spacious but surprisingly light at only 1440kg, can be towed behind your average family car. It is in very good condition and has been very well looked after. There have been no pets or smoking in the caravan. Viewing highly recommend. Full service history and recently serviced in March, so buy with confidence and peace of mind! Only selling due to the fact we have bought a static caravan. The triple bunks are contained in their own room with a concertina door to offer privacy to the sleeping occupants. They also have individual reading lights. The bottom bunk can be converted into a large storage space with both internal and external access doors. There is a small soft spot but NO damp internally. It has large front day beds at 6'1 x 2'3. The caravan is CRIS Registered and all documents and handbooks are present. Comes with the following

Full awning 998
 2 Porch Awnings
 2 Gas Bottles
 2 Water Barrels
 2 Waste Water Carriers
 Loose Fit Carpets
 Step
 Water Pump
 Jack Winder
