LCD Screen Replacement

Touch screen is not working properly?

Screen cracked or damaged?

LCD screen below the glass is damaged or cracked?

Black bleeding marks or lines on the screen?

Missing some areas on the LCD screen?

Then we are able to carry out all types of screen repair if you have any problems with the screen on your Google Nexus tablet product. If you have broken the LCD screen and can see black bleeding marks or

the image on the LCD screen is distorted or missing in places or you also have cracked the glass touch screen or finger layer, we can replace the whole Google Nexus tablet screen and restore it.

Electronics is not too difficult, but your name is not so small, so we need to question your professionalism and service to you, so we ask you to please let us serve you at a personalised level. Please ask me if you have more than one problem before sending a Google Nexus

Tablet.

Although we are located in SMITHWICK, BIRMINGHAM we also cover all of the WEST MIDLANDS, NUNEATON and not LEAMINGTON SPA. We happily ship and receive throughout the nation.

All of our work is guaranteed good work at a reasonable price. You can check our feedback for more
