

# Finding Your Inner Peace A FREE introductory event to a summer of healing Stillness

Location **Scotland, Lanarkshire**  
<https://www.freeadsz.co.uk/x-329693-z>

Join David Rabone, Soul Healer and Inner Peace Coach on May 22nd for this introductory session. This will be the first of a series of spiritual healing events to be held this summer in Glasgow by David.

This event, titled FINDING YOUR INNER PEACE, is a journey beyond the activity of the mind, into silence and stillness, into a space within you, a field of infinite possibilities, where you can rest, and revivify, providing your body, mind and soul the deep relaxation it needs to flourish. It will be a meditative afternoon, filled with exercises to still the mind, and to become aware of the deep peace within you, a deep peace that is always there, waiting to be noticed. As all of this occurs, we will bathe in a powerful divine healing space, co-created by us all.

So what kind of results can you expect from this summer of journeying into deep peace and stillness?

- ~ an enhanced ability to be aware of stillness in everyday life
- ~ enhanced self healing and life transformation
- ~ more energy and vitality
- ~ greater self love and confidence
- ~ inspired creativity
- ~ deep rest
- ~ increased intuition
- ~ opening up to greater possibilities as you become more YOU
