Finding Your Inner Peace A FREE introductory event to a summer of healing Stillness

And... what if more than you know, what if your self has been waiting for this?
If we see that life seems like a running away from you, that doesn't seem to be the best use of time or the
opportunities are waiting for you by letting the series of small decisions even though they benefit your soul.
We will learn how to reach below our stories, our beliefs, and judgements, and bathe in the powerful
space that awaits us. In that peace, we will find our true power, our passions, our purpose, and we will be
more inspired to act to live, and thrive from that space within....

We will begin at noon and finish at 2pm

Investment for this one day event is your PRESENCE and AWARENESS. It is FREE though if you feel

inclined to donate, then please do so.
