Throughout the year you can join Alan Ranger's photography critique masterclasses where he'll give you constructive criticism on your photographs. Whether you're a beginner or have traversed further in your photography journey, Alan Ranger can look at your photos and help you improve. Constructive criticism and editing suggestions will be shared in a relaxed and informal setting, of classes of maximum 8 students. Alan's instant editing will show how you can make immediate improvements to any image. Bring a USB stick with your images on. If you can't make this particular class, why not take a look at the website to see future dates for this and other workshops, field trips and courses later this year and into next. Be kept informed via the regular newsletter or on Facebook. <http://www.alanranger.com/photography/>
