Hello! I am a professional and friendly tutor specialized in Russian as a Foreign Language. I offer interactive interesting classes per Skype!

I teach all levels: from primary school up to A-level and university, to professionals of all ages wanting to brush up a language either for business or pleasure.

Our first lesson will be simply about getting to know each other a bit and going over your level and what you're interested specifically in learning. After that, each hour will be tailored to your personal needs.

DIFFERENT AREAS OF LEARNING:

- Grammar (Theory & Practice)
- Conversation (Topics suitable to your level will be provided)
- Vocabulary
- Pronunciation
- Writing
- Exam preparation
- Culture (through food, photography, art, music, religion, politics, history and more)
- Lessons tailored to specific areas of expertise, such as Business, Marketing, Sales, etc.
- Proofreading
