

STUNNING VERY SMALL BOOTEDDY STUD (300 GBP)

Location Yorkshire and the Humber, West Yorkshire https://www.freeadsz.co.uk/x-330322-z

Stunning small cream boy available for stud duties. He is from the world famous Diamond Mask kennel in Belarus, his Father is a rare small pure white Pom - so he carries the much sought after pure white gene. He is just 28 centimetres tall, and 4lbs in weight. He has a very short nose, short back/ legs, and a beautiful face with tiny ears & a soft expression.

He has a luxurious full dense coat, and the most loving temperament like a little wind up toy.

He's a proven stud, UK KC registered, fully vaccinated and microchipped.

Free return mating at next season if your girl misses with vet proof.

This boy is nothing like the large, long nosed Poms you see advertised for stud. He is true to type from champion breeding. ***He carries the rare pure white gene & the B & T gene as his Father is White & his Mum black & tan*** Phone calls only. Thank.
