Xbox One black 500GB. Things Included: 2 Black Controllers £40 for a standard one and £45 for the newer one with the earphone jack My Xbox live account with 3 digital copy's. FIFA 16, Rocket league and Minecraft (£60) I will be removing my Origin account from Fifa 16 because i'm switching to PS4. I had GTA but i will also be transferring my Rockstar account to PS4. I cant transfer my Call Of Duty BO3 account over so that will be staying on my account along with all my progress. I will change my Xbox email and password to a temporary email and pass and remove all security questions and a paper with those details will be sent to u in the box with those details and u can go on to change those details to your own. The console comes in its own box but if you are receiving by post then i might need to get bigger packaging or separate packaging as the 2 controllers don't fit in the actual box Im setting a price of £295 which is a bargain for what you are getting. 2 Controllers, Digital Fifa 16, Digital Minecraft, Digital rocket league and All call of duty black ops 3 progress. ;
