Location **West Midlands, Worcestershire**

I am selling my trusty and much loved Fletcher Arrowport 155 as I plan to up size. The boat is in very good condition for its year (Circa 1992) with some minor gel coat repairs. The engine is a Johnson 100 hp V4 with full electronic trim which runs capably without glitches, (usually starts on first or second attempt). This is a very powerful motor and is able to propel the boat to electrifyingly high speeds, (I've done about 55mph in rough chopped with full fuel and three 'robust' people onboard). See video at <https://www.youtube.com/watch?v=h69p0F-9JZk>
The engine was fully serviced last summer and a new ignition switch was fitted. She comes with a roller trailer which has also been overhauled with new bearings. Has been wintered undercover.

 - 2 Fuel tanks (22 litres each)
 - 1 New Battery
 - 1 Ski Pole
 - 1 Wake Board (old school type)
