Nail wraps are thin vinyl sheets that are pressure and heat activated to adhere to your nail for a long lasting and beautiful look. They are made with durable materials, so smudges and streaks are never an issue, and can last for up to two weeks on fingernails and four weeks on toes! You can order directly from my website, or host an in-home demo or a Facebook online party choice is yours. For more information don't hesitate to contact me imelda.jamberry.com/uk
