The Insignia is the successor to the Vectra a car that's been a firm favourite with families and company car drivers for many years. As you'd expect, it inherits many of the Vectra's strengths. It's comfortable, a great motorway cruiser and is good value for money (especially used). However, the Insignia is far more sophisticated than the car it replaces so not only is the styling more refined, the interior fit and finish is much better than before.
