Hi,
 Myself, my partner and our son are looking for a house/cottage in a rural area (detached) with parking to rent around the region of £800PCM (negotiable)
 We are a profession working couple, With a working cocker spaniel dog who goes to work with my partner 5 days a week, very well behaved. And 2 outdoor cats.
 We have been looking around the Eastington, Stonehouse, Nupend, Frocester area as our child is at Eastington School.
 We are ready to move ASAP, with giving one month notice at current property.
 Very tidy, country couple, looking to build a bigger family.
