Here we have an immaculate 2014 kawasaki EX650 finished in matt gray. With so few miles on the clock, the bike isn't even run in. Only one registered Keeper from new. The bike is in untouched/standard condition, just as it came out the crate. The bike comes with all original keys and manuals as were supplied new. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. This bike is the latest design for this model. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This bike is suitable to be ridden on the A2 license. This would make a excellent commuter bike. New tyres have been fitted to the bike so no need to change them for a while! A grab rail is fitted to make carrying pillion that bit easier. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know! Give us a call for more info or pop in and view at CMC Cannock. *NOTE: Alarms can be fitted to any bike at an additional**
