This bike has documented Service History and has had no expense spared in maintaining it. The bike comes with all original keys and manuals as were supplied new. The paintwork has no chips, scratches or dents and has been fully polished by our on-site valet. The bike comes with a factory fit immobiliser, this stops a cloned key or screw driver being used to start the bike. This bike is fitted with an Anti Lock Braking System (ABS), giving you more confidence while riding. This bike is also fitted with Combined Braking System (CBS) giving a percentage of rear brake when you use the front brake giving you more stability on corner entry. Also fitted with a centre stand to make washing and maintenance a whole lot easier. The bike comes with a set of lockable Hard Luggage, great for those trips away. A Top Box is also fitted to this bike, very useful for commuting to work or carrying your waterproofs in case the rain comes. The screen on this bike is adjustable so you can set the screen to your preferred height and comfort. A grab rail is fitted to make carrying pillion passengers that bit easier. A tank pad has also been fitted to the bike, these protect the paintwork from rubbing with the rider's jacket. Stomp Grips not only protect the tank but allow you to firmly grip the tank between your legs. A fuel trip computer comes with this bike, it tells you your average MPG and also many miles you have left with your current fuel. The bike has been HPI checked and a Certificate will be presented with the bike. Viewing is welcome any time and we guarantee you won't be disappointed. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us know!
