A brilliant example of a Piaggio X10 350 that has done 13513 miles from new by its former keeper. The bike has been well maintained and comes with a full service history. The bike handles well, changing direction easily and steering neutrally even at low speeds, while the big 15 inch front wheel improves ride comfort and stability on poor surfaces. It's comfortable and spacious for a passenger too, and the engine copes well enough with the extra weight. Viewing is welcome any time and we guarantee you won't be disappointed. Give us a call for more info or pop in and view at CMC Clay Cross. We also offer nationwide delivery, so if you prefer us to bring the bike to you just let us.
