This is a great folding camper. Its easy to tow and has a motor mover so easy to move about into position too. Quick to put up and easy thanks to gas assisted struts. Sleeps up to 6. There is one king size bed and one double and the dining seating can be made up into a further double. Has a toilet cubicle - a Thretford toilet with flush and drop down sink with hot and cold tap The kitchen has a 3 way fridge, gas hob, sink unit and hot and cold running water. Comes with the full awning+ skirts Curtains for camper and awning. The canvas is in good condition - no rips or tears In excellent condition for age. A few scuffs, one edge of a cupboard has started to peel off but really lovely camper and well looked after. Also has an extra winter cover bought from Pennine last year. nb: inside photos were taken last year - used twice since then so in the same.
