East of England, Cambridgeshire Location https://www.freeadsz.co.uk/x-331128-z

Handheld Cordless Vacuum making those hard to reach areas easier to clean. Weighs 3.3Kg. This cleaner has a meaty 13.2 volt battery so it's suction is up to scratch and lasts a reasonable amount of time. Being cyclonic, the filter doesn't get clogged easily. It's bagless so very hygenic. Great for caravans, cars, pets & curtains. Go on make me a reasonable offer, I might just accept!
