Brand new - never been used. Unwanted gift - £100 (reduced from £110) in Argos: The Challenge Flex is an ideal commuter bike, with city style tyres and reliable microSHIFT gears. This beautifully finished bike with a black steel frame, rigid suspension and 6 gears with Revoshift shifters, is a classic, rapid and lightweight alternative to the normal bicycle. Search for Challenge Flex 20 Inch Commuter Bike in Argos. This is the exact same bike. I live in East Kilbride but I work in Glasgow city centre so I could arrange to meet in.
