Grey, 1 owner, Yamaha's funky race replica two-stroke scooter is nippy, agile and lots of fun, although the single seat limits pillion options. It's one of the best looking scooters around and can be seen tearing up city streets as well as being paddock transport for any race team. Making a claimed 2.6bhp, the Aerox R is powered by a liquid-cooled, single-cylinder, carburetted two-stroke motor. It has an electric start and a CVT gearbox. The North West's finest family run motorcycle dealership, £1,750 no
