Adorable Ragdoll kittens ready to reserve. Brought up in a loving home around children and other pets. The mum is my family pet and I used a stunning stud cat. Photos of him can be seen. The kittens are 100% Ragdoll but are not registered because they are just for a family pet not for breeding or showing. Kittens will be ready to leave mum at 9 weeks old. Please call if you would like any information or if you would like to come and view a kitten.;
