Hi there I'm Dan Huggins and I have been playing bass for over 10 and a half years. I have a BA Honours Degree in Music and I'm now available to teach bass to a very high standard.

I have been a semi-professional musician for over 8 years and have done 100's of countless gigs in that time.

If you are just starting to play bass, have a child that wants to learn an instrument and play bass or even if you're an experienced player already and want some help polishing off and improving your technique and skill then these lessons will be perfect for you .

Prices will be £25 per hour or £15 per half an hour and clients can come to my house for lessons or I can come to your home, whichever is more convenient for you.

I will not be overbooking lessons so you get the very best experience.

I am very much looking forward to hearing from you!

Check out some of my playing and studio recordings here:
