

Toyota Hi-lux 1992 (1,500 GBP)

Location **London, London**
<https://www.freeadsz.co.uk/x-331639-z>

The car that top gear couldn't destroy. 2.4 automatic diesel 4X4. amazing truck. Lots of new parts 12 months MOT. pretty good condition for age. Little bit of rust under rear door (pictured) and small bits of rust on corners of bumpers which these cars are known for. starts first time every time...little bit smoky at first but warmed up fine. This thing can carry and pull anything.;
