Moto Guzzi MK1 Le Mans, this is completely and totally beautiful and can only be described as a stunning example having gone through a full cosmetic and mechanical restoration to the highest possible standards. In the twelve years we have been a Moto Guzzi Dealer and enthusiastically and actively searching for rare and classic Moto Guzzis we have never had a MK1 in this outstanding condition, it just gleams! It was first registered in Italy in 1977 and then imported to England and registered in the UK in 2002. There was a recorded 33,000 kilometres before the restoration commenced and it has 3,788 miles on the new speedo. The MK1 has become an extremely collectable motorcycle and are so very hard to find, this example comes with a huge pile of documentation and masses of receipts totalling a sum of £7,808.05. There are nine MOT certificates present dating from 2002 until 2013, this lovely motorcycle will be given a fresh MOT and receive a comprehensive sales check prior to delivery. Cars and bikes taken in part exchange, Low rate finance offered subject to status, Nationwide delivery available, E
