A beautiful 1976 Norton Commando 850 which is such a lovely motorcycle with matching engine and frame numbers. It has been fitted with the following modifications: Upgraded Lockheed front and rear brake callipers, Braided hoses. Pazon electronic ignition. Noval head steady. Akront-19 wheels with very good Avon Roadriders, Replaced steel tank and side panels, Primary drive belt conversion, The clock was changed in 2007 at 29,060 miles and there are now just 323 miles on the new clock having been in dry storage for the last nine years. This is a very usable classic Norton in a great condition with a kick start ignition and a new wiring loom and starts and runs very well. It has just been serviced and has a full MOT. Cars and bikes taken in part exchange. Finance offered subject to status, Nationwide delivery, E
