Beautiful Elna sewing machine in excellent condition, only 10 months old. Includes large extension table and carry bag. The feet are stored in a compartment on the front of the machine for easy access, there is bobbin storage on the top and a storage compartment in the removable free arm extension. It has a built-in handle and pin for circular sewing. Only selling as I'm getting an embroidery machine. Test welcome. Buyer to collect as it's a bulky item. Cash on collection - no offers. Thanks for:-)
