Orange Grove Fostercare is an Independent Fostering Agency, recently rated as OUTSTANDING by Ofsted. We are currently recruiting Foster Carers, in the Northamptonshire, Bedfordshire, Buckinghamshire and Hertfordshire areas. In the UK there is a growing need for foster carers, in fact we need at least 9,000 new foster carers to help improve the lives of vulnerable children and we believe in trying to keep children in their local area. If you have patience, a sense of humour, a desire to learn and a spare bedroom, you could be just what we are looking for. In return we offer great local support, professional training and a generous fostering allowance. If you want to make a difference or would just like more information, then please email us your details and we will contact you for an informal chat. ;
