South West, Dorset

Hi all,

I'm selling my Fender Squier 'Affinity Series' Telecaster electric guitar which is a LEFT-HANDED Model! I've also thrown in a black strap.

The colour of the guitar is 'butterscotch blonde' with no visible scratches or marks as it has been very well looked after. Unfortunately the photos I took on my phone have picked up my shadow which makes the guitar look stained but in reality it's still in excellent condition. And I never used it for gigs, only home practice.

I purchased it online brand new a while ago now, for around (I think) £160. So grab yourself a bargain here!

Local collection only (central Bournemouth). Any questions, please email me.

Thanks for.
