It has a lovely ski that has got a lot of extras and custom paint work.

I am the second owner of the ski, I bought it from Russell Power boats in 2010, they built the ski for its previous owner, I bought it with 22hrs on.

The ski has done 100hrs, had a full service at watercraft world in Fareham including a new battery in October and its supercharger service at 98hrs.

It was serviced by Russell Power boats at 30hrs, 66hrs and 90hrs

It has a lot of extras,

Riva opas block off kit and racing sponsons,

Custom high grip seat,

Custom paint and gauge bezel,

Custom dual axle roller trailer, new bearings in October and bearing buddies.

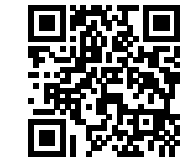

Custom hood bracket,

Custom roller and custom wiring

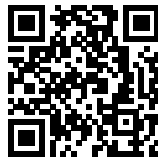

Custom hood bracket, much stronger than original
