Lovely charming old footstool with its original woven jute seat which still in really good condition considering its age. The legs are turned and simple in style. It is a nice wide size unusual to find in a foot stool with plenty of room and very comfy to rest your feet on. Could do with a bit of tlc, maybe a shabby chic paint job, to make it look its best hence the low price but its still a nice vintage piece. It measures 55 cms long x 32 cms wide x 33 cms.
