Old antique vintage original jute woven top foot stool seat foot rest (10 GBP)

South East, East Sussex Location https://www.freeadsz.co.uk/x-332449-z

Lovely charming old footstool with its original woven jute seat which still in really good condition considering its age. The legs are turned and simple in style. It is a nice wide size unusual to find in a foot stool with plenty of room and very comfy to rest your feet on. Could do with a bit of tlc,maybe a shabby chic paint job, to make it look its best hence the low price but its still a nice vintage piece. It measures 55 cms long x 32 cms wide x 33 cms.
