Furze lodge is a vibrant modern development situated in Plum Lane on the brow of Shooters Hill, inheriting breath taking views across London unrivalled by any other recently built development (The views really have to be seen to be believed!) Finished to a high specification, the apartment comes with a contemporary kitchen including integrated appliances, sleek bathrooms with feature tiled walls and a roof terrace to look out over the capital. This particular apartment has two large double bedrooms with the master bedroom boasting a further ensuite bathroom in addition to a walk in wardrobe. The apartment still benefits from a seven year LABC guarantee with an allocated parking space within the grounds of the secure gated complex.

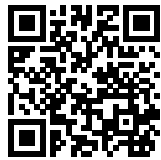

Easily accessible by road (A2 / A20 / South Circular) and public transport, there are a range of transport link options. The mainline railway (Woolwich line) runs through Plumstead and Woolwich, and arrives in London Bridge in 20 minutes, then on to Cannon Street or Charing Cross (via Waterloo East). Woolwich is now home to a DLR station and Royal Arsenal has a river taxi pier. The Royal Arsenal estate is also the designated site for a Crossrail station. Plumstead and Woolwich are both well served by bus routes, taking passengers either into central London or out into Kent for the Bluewater shopping centre. Local bus services also connect to North Greenwich for the Jubilee line at the O2 and Blackheath / Greenwich for a wide selection of bars and restaurants. The free Woolwich Ferry is also well used to get to East London and City Airport.

The Royal Borough of Greenwich is famous for its expanse of open green spaces with Shooters Hill offering a range of recreational benefits including the Shooters Hill Golf course, a local Tennis club, a Park and a Cycle
