We are situated between Great Yarmouth's and Gorleston-on-Sea's beaches, so whether you want the thrills and spills of Great Yarmouth's Golden Mile or the fantastic Blue flag beach of Gorleston, this is only a 5 minute drive or a 10 minute bus ride away.

For all the historical buffs we have direct access to "Burgh Castle" a Roman 3rd century 'Saxon Shore' fort. For the fishing enthusiasts, the Park is situated on the Norfolk Broads, where there is a plethora of course fishing lakes surrounding the Park. We like to think of Breydon Water Holiday Park as 'the Gateway to the Norfolk Broads', situated a little way inland.
