

Parker Knoll old fashioned style cushioned chairs for sale (50 GBP)

Location **South East, Surrey**

Original Parker Knoll frames with refurbished coverings. The frames are quite valuable and would of been taken by the auctioneers during the clearance of my grandparents house, but as they are quite old they were not of the up to date fire rating requirements for professional furniture sales. They are very comfortable chairs and we have one in our lounge at home, but do not have space for the other.
