Welcome to our profile page We are a Southampton based small family run business established early 2012 have had the same close-knit team ever since, we have built a very good reputation for our company and enjoy our challenging line of work . We never subcontract our work out to other companies so you can rely on us and know who you are talking to. Removal Service Collection/Delivery Service UK & Europe We provide a fair and good value for money service which includes a wealth of experience moving just about anything and everything. Customer satisfaction is our priority so Your possessions are placed in your room of choice and Between us we have the experience and knowledge to assemble / Disassemble Furniture Disconnect / Reconnect certain white goods We have special tools that are required to move american fridge freezers and if necessary we will remove the doors of the unit Our Reliable fleet of vehicles include High roof long wheel base Mercedes Sprinter vans provided with blankets , sack trolley , removal trolley dolly , metal vehicle ramps ( on request) tools and ratchet straps for securing loads Our vans are always clean and dry. Luton vans or 7.5 tonne trucks available on request Commercial customers or regular work welcome Public Liability insurance Card payment subject to 3% surcharge With Best Regards We Care Removals team ;
