

BMW F650GS 2001 (1,750 GBP)

Location

South West, Isle Of Wight<https://www.freeadsz.co.uk/x-332739-z>

Bike is a 2001 F650gs single. It has 15,000km on the clock (speedo is in km as it started life in Parma, although is now fully UK registered and has a UK number plate). Only deviations from standard are a higher screen and a single helmet top-box. It's in pretty good nick, not showroom but it has lived in a garage so no nasty corrosion.

Can't fault it for reliability either- it starts and runs with no problems. New MOT and service carried out in April.

Both standard and high seat available (high seat fitted in picture). Please feel free to email with any.
