MAVEN NETWORK APRIL OFFER - MEET ONE OF OUR EXPERTS TODAY

Background:

By way of introduction Maven Network Limited are a VoIP telephony specialist located in Edinburgh specialising in driving down costs, increasing productivity and flexibility within the workplace. We have many years experience in providing businesses with the tools that they need to more effectively interact with their customers with services from simple number forwarders and internet connectivity to large scale phone system and call centre systems.

April offer:

We are offering all businesses/business owners the opportunity to meet with one of our specialist consultants to see if we can help in boosting efficiency within the workplace while driving costs down, this review will be complementary for the month of April only!

When was the last time you reviewed your current systems & pricing?

We are looking to meet with as many businesses as possible, small medium or large; with the meetings generally taking around an hour. We also offer like for like cost comparisons to ensure you are currently on the best deal for your business.

With our new sign up promoted phones, either single lines or multi-line, the first month a customer will receive 4000 UK Landline minutes (Excludes all higher rate number, just normal 01, 02, 03 landlines) and 500 UK Mobile minutes (excludes premium mobile numbers).

Normal value of these bundles would be £50 total
