Caravan For Sale By Owner

I have been approached by the owner of this caravan and asked to sell it on their behalf.

It is a beautiful ABI Focus - 3 Bedroom

Inside and out it is immaculate and has been extremely well looked after.

Personal touches have been added but yet it has still been done tastefully and to suit many people. ...

As you enter you arrive into an open plan lounge, dining area and kitchen area. It is all neutrally decorated and creates the feeling of an amazing space that gives you the opportunity to relax. The seating in the lounge is comfortable and extremely well planned out to make the most of the space available.

The kitchen is a beautiful colour scheme and has light wood colour cupboards which once again creates a feeling of lightness and airiness.

The caravan is in a great location and is perfect for our family. We have been very happy to let it out to others. We are happy to travel down to it many more times and it is a great place to let out. The caravan is in a great location and is perfect for our family. We have put a lot of time and effort into keeping it looking nice and adding bits and pieces to it, like the decking. If I ever recover from my illness, I shall be purchasing another one as we have all totally fallen in love with the park and the staff there. My children have made some wonderful friends with the teamsters and have a really good time whenever they are there. But things change and situations change and I would love for another person to enjoy their holidays here. I have decided to include the decking in the price of the caravan as it is no good to me without a caravan to love. We have approached Tarn to sell our caravan as we trust her and she has always been very good to us and our children. The whole team has been
