White, 1 owner, Full dealership history, 2 keys, ABS, Belly Pan, Electric start, Engine Bars, Fender Extender. The Honda NC750X-A that we have in stock here is in excellent condition and is clean throughout. This bike has barely done any miles since originally being sold from this showroom and looks fantastic with its Engine Bars and Belly Pan. The NC750X is designed to inspire confidence. So we created a high riding position that provides a clear view of the road ahead as well as superb low-speed handling that gives you all the agility and responsiveness you need. Then, open up the throttle and its eager 750cc engine, with its 40.3kW power and 68Nm torque gives you all the power you need to escape the city. Plus 60 pounds documentation fee, Bill Smith Motors Celebrating over 50 years in Business!
