We can create a wedding package to suit any budget and style, with a relaxed style and great customer service. We also cover Torquay, Exeter, Plymouth and the whole of the Devon and UK.

Born in Poland, I moved to Northern Island, then London, then Torquay to pursue a career as a professional photographer and have been working as one since 2005. I draw on a lifetime of experience to capture special moments in life. I have worked all across, so can adapt to a variety of locations, themes and styles.

- 1 photographer to capture your big moments,
- up to 3 hours coverage,
- unlimited number of photographs taken,
- pictures ready to view online in 14 working days,
- 150 high-resolution professionally edited images on DVD,

What is our wedding price for local area? Martin Bartnicki Photography can create a package for you. Don't be afraid to ask, though, because what you need now is a professional photographer to save you the stress of finding one on your own.

Your package price was extremely fair and you've over delivered in every way possible. You were always polite and helpful. Yvonne

"Martin was an inconspicuous professional and courteous. We could not have dreamed of a better photographer." Cassie and Jonny
