Martin Bartnicki Photography open booking for Devon area.

We are moving to Torquay and start taking bookings for weddings, portraits and other events. 2016 still available !!!!

If you're looking for a wedding photographer, look no further than the award-winning Martin Bartnicki Photography. We can create a wedding package to suit any budget and style, with a relaxed style and great customer service. We also cover Torquay, Exeter, Plymouth and the whole of the Devon and UK.

Born in Poland, I moved to Northern Island, then London, then Torquay to pursue a career as a professional photographer and have been working as one since 2005. I draw on a lifetime of experience to capture special moments in life. I have worked all across, so can adapt to a variety of locations, themes and styles.

A basic wedding package starts from £349 and includes:

- 1 photographer to capture your big moments,
- up to 3 hours coverage,
- unlimited number of photographs taken,
- pictures ready to view online in 14 working days,
- 150 high-resolution professionally edited images on DVD,

• copyrights printed at the box  
 if you packages  
 What is your wedding style or location? Martin Bartnicki Photography can help you. Don't miss out on this offer, though, because what you've seen previously might have to be replaced by a better one.  
 Your package price was extremely fair and you've overpaid in every way possible. You are always polite and helpful. Yvonne

"Martin was an inconspicuous, professional and courteous. We could not have dreamed of a better photographer." Cassie and Jonny
