

Renault Clio 2001 (250 GBP)

Location **London, London**

I had originally intended to sell my Renault Clio for £400. Unfortunately I have just found out that it has a slipping clutch. Tyres, including spare, in good condition. The bodywork, as you can see from the photos, is also in good condition. Overall the car is in good condition and a low mileage bargain for someone at £250! Tel East Grinstead (01342
