Best quality cleaning and great prices. Have a rest while we do our best! Our Services: Office Cleaning House Cleaning House Cleaning Ironing House Care Moving House Cleaning After tenancy Cleaning After Party Cleaning Regardless of the way everybody else perceives cleaning, we are lovers of order and take great pride in what we do, especially that our work makes you happier with your surroundings and gives you more time to think about less tedious things! Our offer also contains "Deep House Cleaning" which includes but is not limited to:

- Cleaning the inside and the outside of all kitchen appliances (fridge, microwave)
 - Windows from the inside as well as blinds and shutters
 - The insides of draws, cupboards and storage areas
- A carefully selected cleaner will be allocated to you once the specification is approved. If you are not happy with our cleaner allocation, you can request a change at any point of the service and we will do our best to allocate someone more suitable to your needs.;
