We are a small independent company who offer personalised English language classes. Our aim is to help you improve your English language skills quickly. The company is run by Tandy (Brighton based) and Belinda (Worthing and Shoreham). We are both qualified, experienced CELTA teachers. CELTA is the internationally recognised qualification for teaching English language. All lessons are taught by us. We both have a love of the English language, lots of patience and a good sense of humour. We will talk to you to find out why you want to improve your English and what your level of English is and then we will plan lessons just for you! We want you to make quick progress. We can also teach small group classes. One to one English language lessons are £25 per hour. Group rates are dependent on the number in the group. You will be fully immersed in the English language in your lesson. We will teach you new grammar and vocabulary but more importantly we will plan activities for you to practise using the new vocabulary and grammar in your spoken English. Lessons are varied and interesting and will give you opportunity to practise your English speaking, listening, reading and writing skills as well as pronunciation. We teach General English, Business English, English for Health and Social care, English for Hospitality and English for everyday living. Contact us to find out more, we look forward to hearing from
