We love these Qashqai! Where possible we always buy cars like this that have low mileage, a decent specification and are a whole load cheaper than they would have been just three years ago straight out of the showroom! Ours has covered less than 30,000 miles since it was a brand new car, having been serviced each and every year giving you a full service history with the most recent carried out here at acar2go. You see the Qashqai everywhere these days, and so because of the fact that there's not really anything like it that is even nearly similarly priced. You get the comfort of sitting a little higher off the ground and so less feel of the bumps in the road, it has excellent visibility all round and is just a genuinely nice car to both own and drive. Give us a call if this is the kind of thing that you're in the market for as we are always getting these in and are more than happy to source you one should you wish for a different colour/specification. Remember acar2go Aston Clinton where you Pay Less & Get More! Finance is available subject to status, Please call for a no obligation quote.
