The process gets started when you book your free on-site assessment and end with our free gift to you â€“ a floor cleaning kit to help you keep your new flooring looking great. Unlike some floor sanding services, ours is virtually dust-free. This is thanks to the up to date continuous belt machinery we use, and the fact that we utilise mobile extraction units to further reduce dust emissions. Weâ€™ll also tidy up thoroughly when weâ€™ve finished. Find out more about the South London Floor Sanding company and the services we offer by contacting.
