Southwark Handyman Services is your first choice for Painting & Decorating, Plumbing, Electrical, Odd Jobs General Property Maintenance & other General Handyman Tasks for homes and offices in South and Central London. Call 0203 793 7921 0203 793 79...(click to reveal full phone number) service offered Odd Job's & General Maintenance:

As our job title implies, we're pretty handy at everything and our clients think so too. We love tackling clients 'to do' lists. We hang pictures, assemble flat pack furniture, lifting and shifting, clearing gutters and drains, draft-proofing doors, fixing metal gates, curtain hanging, etc. You name it, we can do it. Blind fitting:

We offer a cutting & fitting service for blinds. Carpentry & Joinery:

We're experts at sorting out those minor carpentry jobs. Hanging and adjusting doors, fitting window and door locks, building shelves, boxing in pipes, kitchen fitting, wood flooring, shed building and much more. We also have a time served bench joiner on our team who can create some of the most amazing and intricate designs in your choice of wood and finish. Painting & Decorating:

We're able to tackle those jobs you hate such as, filling cracks and holes in walls, patch plaster repairs, sanding woodwork, wallpaper hanging, painting, sealing bathrooms, showers, & kitchens. From single rooms to whole house makeovers, we have a team ready, willing, and able to tackle your refurbishment. Plastering:

From full rooms to repairing electrical chases and patching repairs, we're able to tackle the smallest and largest of jobs. Electrical:

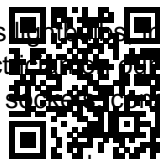

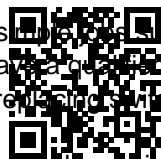

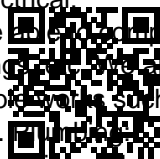

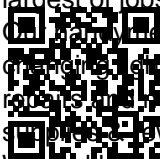

Our team are able to undertake simple jobs such as light fittings, installing a radio phone, hanging pictures, etc fitting. We also have a qualified electrician on our team to tackle more complex jobs and notifiable work such as re-wiring, sockets, consumer units, etc. We can also undertake simple plumbing jobs such as re-wiring.

We tackle simple repairs such as small leaks, perished tap washers, plumbing in washing machines, dishwashers, new taps etc. Tiling:

From repairing the odd broken tile, re-grouting, sealing to tiling full floors and walls, we're on hand and ready when you are. Gardening:

We like to think we have green fingers here at Southwark Handyman Services and we offer services such as weeding, pruning & lawn mowing etc. Flat-Pack Assembly:

Just moved into a new home, office or changing your space? No problem. We're experts at putting

together flat-pack furniture and will speed through it in no time.

Other Services

Lighting Design and Installation:

We love lighting and we love creating moods with light. Our Electrician has worked extensively with designers and architects both in the UK and US, using intelligent lighting systems for domestic and commercial applications.

Sound Design and Installation:

Whether it's a simple sound system for your home, office, shop, bar and club, or a full cinematic, multi-room set up is required, we can design, plan and install to suit your requirements and budget.

Projects and Refurbishment:

We're able to tackle both the smallest and largest projects with the greatest of ease. We can help with planning, design tips, advice, project management and execution to the highest of standards.

Temporary Power and Lighting:

Need power and lighting outside for an event or temporary structure? We can help with single phase and three phase systems to suit your requirements.

If you require a service that we don't have listed, please give us a call and we'll be only too happy to help, or failing that, point you in the right direction.

Commercial and Corporate

We offer all of the above services and much, much more:

End of tenancy repairs for Landlords and/or Tenants.

Key holding facilities.

On call or sited handymen.

Temporary power and lighting.

Office furniture construction.

Dry wipe board hanging.

Toilet unblocking.

Bulb changing. Handyman London
