The DRZ400SM evolved from the DRZ400 Enduro, with upgraded upside down forks and top notch supermoto rims it became the choice of many a rider who wanted a great fun bike but with much more reliability than the competition offered. This bike is in very good condition, it has been previously been sold and serviced by us, so it's sold with confidence. The standard exhaust has been replaced by a Scorpion can which really adds to the theater of the DRZ, allowing it to sound as good as it looks. Competition style hand guards have been fitted which finish of the look superbly. As with all our bikes it is of course HPI clear and will be fully prepared by our workshop prior to collection. Part exchanges are very welcome as we are always looking for used bikes, we are also happy to settle or arrange finance and trade up or down. £3995
