BG Clearances provide an affordable solution when it comes to clearing your Rubbish.

We clear Rubbish from both domestic and commercial properties. So weather you have a house or office that needs to be cleared give us a call.

We are cheaper than a skip and you won't need to arrange a permit with the council when using our services.

We will do all of the loading to make it a more stress free experience for you the customer.

We will clear your Rubbish from any part of your property including.:

House  
 Office  
 Garden  
 Garage  
 Loft  
 Shed

We also clear

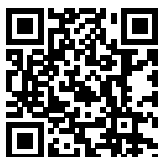

Pubs

If you have had a builder in to do some refurbishment work and they have left behind any builders waste  
 give us a call and we will clear it for you

We are fully licensed waste carriers with the environment agency and recycle all recyclable materials  
 sending as little to land fill as possible.

We also offer a house and office removal service
