Blessings! I'm Charlie, former Greater World Spiritualist chairperson, award winning, Sunday Times best-selling author, transformational speaker & coach. INTRO VIDEO now live on my site or Chat 2 Charlie psychic Facebook page.

ANYONE can say they're 'born' psychic / accurate / make up reviews. My reviews are LINKED to the author via Facebook, Google Maps or Scoot, so you can VERIFY them. ANYONE can buy tarot cards and "learn" their values - but can they operate at a genuinely clairvoyant level or are they simply looking to increase income for another service such as astrology or similar? (I DON'T claim to be an astrologer by the way!).

## THE BASICS -

- \* FLAT FEE £45. For at LEAST an hour - longer where needed - no hidden / additional charges
- \* DELIVERY via webcam on Skype OR in person, HP15. Telephone readings are possible, however Skype works is a much more personal experience, is free & easy to use
- \* BOOKING: Enquiries 10 am-10 pm weekdays / 2 pm-10 pm weekends. Same day bookings possible (Plus availability app on my site you can access 24 hours a day). I work long hours and don't take bookings too far in advance :) So you can usually get hold of me when you need me most.
- \* CREDENTIALS: Third generation psychic. Developed, trained at The Greater World. International reputation and 5 star track-record - clients from all over the world with verifiable reviews LINKED to the client. Readings delivered by me PERSONALLY no substitutes!

\* NO black magic, NO witchcraft, NO spells, NO voodoo! Safe & simple, uplifting SPIRITUAL guidance. \* PROFESSIONALS include psychology, sociology, law, society, psychology for volunteers, herbal healing, nutrition, homoeopathy, anatomy, hypnotherapy, aromatherapy, disposal, etc.

Whilst I wasn't born an angel! I'm now the earth's most extraordinary angel! I've been featured on This Morning, Loose Women and many others. I wrote my first book to become famous, but in order to inspire others, I now offer intensive detailed readings with guidance. I also speak for the vulnerable and as such, I've been a transformational speaker in women's prisons, mental health services and other organisations. I'm experienced in giving uplifting insights into your own situation or energy.
