

Campervan Vivaro 2Lt Diesel For Sale (9,500 GBP)

Location **South West, Gloucestershire**
<https://www.freeadsz.co.uk/x-334761-z>

For sale in Bristol My vivaro van conversion to make space for my next project. This is a 2008 high top lwb van with 104000 miles on the clock and 11months mot. It has a timing chain therefore no cam belt change required. We have just completed a 3000 mile trip to Italy with no issues whatsoever. The van has 4 new tyres, swivel front seats, a side facing twin seat which, together with the front seats, makes 2 single or a double bed. There is a socket in the floor for a table for dining purposes. Along with loads of storage are a 50 litre compressor fridge, small electric grill/oven, thetford swivel cassette toilet, 2 burner gas hob and sink, on board cold water, gas-it refillable gas system, 110amp leisure battery, ctek charger and split charger, and a wind out fiamma awning. I probably missed some bits so feel free to ask any questions. Price - £9500 email if you require photos click to
